Escape to Create

How Can You Help?

Housing – The gift of donated housing is essential to sustain the residency program and to provide an inspiring environment for artists to work. We need housing for the months of January and February for resident artists and periodically throughout the year for exciting cultural programs. As homeowner host, you will be our guest at any two **Escape to Create** events or seminars of your choice.

Artist Sponsors – A donation of \$1,000 provides an opportunity for you to choose an artist to sponsor, perhaps in a discipline of particular interest. We will create unique opportunities for you to personally connect with your artist during the residency.

Program Sponsorship – Throughout the year **Escape to Create** provides experiences that enhance the 30A community as a cultural destination. Individual and corporate sponsors will be acknowledged in all publications and on our website.

Contributions – Financial support enables us to maintain a Program Director, weekly stipends for artists in residence, and basic necessities such as office space and computer needs. Contributions at ANY level are greatly appreciated!

Donations of Good/Services – We depend on the generosity of our community to provide everything from soup to nuts, literally!

Volunteers – There are many opportunities for individuals to donate their time, enthusiasm and expertise to support the efforts of **Escape to Create**.
